

## NIGHT FEVER (Bee Gees)

### Intro

Listen to the ground, there is movement all around (doon doo doon - doon doo doon)  
There is something goin' down, and I can feel it (doon doo doon - doon doo doon)  
On the waves of the air, there is dancin' out there (doon doo doon - doon doo doon)  
If it's somethin' we can share, we can steal it (doon doo doon - doon)

(And that sweet city woman, she moves through the light) doo - doo  
(Controlling my mind and my soul) doo - doo  
(When you reach out for me, yeah, and the feelin' is right) doo - doo

(Then I get) **night fever, night fever**  
**We know how to do it**  
**Gimme that night fever, night fever**  
**We know how to show it**

Here I am, prayin' for this moment to last (doo doon - doo doon - doo doon)  
Livin' on the music so fine, borne on the wind (doo doon - doon doon doon doon)  
Makin' it mine (doo)

**Night fever, night fever**  
**We know how to do it**  
**Gimme that night fever, night fever**  
**We know how to show it**

In the heat of our love, don't need no help for us to make it (doon doo doon - doon doo doon)  
Gimme just enough to take us to the mornin' (doon doo doon - doon doo doon)  
I got fire in my mind, I get higher in my walkin' (doon doo doon - doon doo doon)  
And I'm glowin' in the dark, I give you warnin' (doon doo doon - doon)

(And that sweet city woman, she moves through the light...) doo - doo...

(Then I get) **night fever, night fever**  
**We know how to do it - Feels like forever, baby**  
**Gimme that night fever, night fever**  
**We know how to show it - I'll leave you never, baby**

Here I am, prayin' for this moment to last... (doo doon - doo doon - doo doon)...

**Night fever, night fever**  
**We know how to do it - Feels like forever, baby**  
**Gimme that night fever, night fever**  
**We know how to show it - I'll leave you never, baby**
