

LEAN ON ME (Bill Withers)

Mh, mmmh mmmh mmmh

Mh, mmmh mmmh mmmh

Sometimes in our life we all have pain, we all have sorrow

But if we are wise, we know that there's always tomorrow

Lean on me when you're not strong

And I'll be your friend, I'll help you carry on

For it won't be long

'Til I'm gonna need somebody to lean on

Please swallow your pride, if I have things you need to borrow

For no one can fill those of your needs that you won't let show

You just call on me brother, when you need a hand

We all need somebody to lean on

I just might have a problem, that you'll understand

We all need somebody to lean on

Lean on me when you're not strong

And I'll be your friend, I'll help you carry on

For it won't be long

'Til I'm gonna need somebody to lean on

You just call on me brother, when you need a hand

We all need somebody to lean on

I just might have a problem, that you'll understand

We all need somebody to lean on

If there is a load

You have to bear, that you can't carry

I'm right up the road

I'll share your load, if you just call me

Call me, call me

Call me, call me
